# ECOTOPIA BIKETOUR

## BALTIC STATES & BEYOND

Ecotopia Biketour is a self-organized, international community that has been organizing a yearly bicycle tour in different regions of Europe since 1990. During the tour we visit environmental and social projects and practice forms of activism and sustainable living. We follow a vegan diet, practice consensus decision making and share skills by doing workshops. One of our core values is to create a non-discriminatory environment. Ecotopia Biketour is for anyone interested in travelling by bike, community life, DIY, environmentalism and learning by experience.
